ANSWER KEY

1. What percentage of Town Meeting Members approved creation of the Trust? (Pg. 5)
ANSWER: 93%
2. What fraction of Arlington residents spends more than 30% of their income on housing? (Pg. 10) **ANSWER: one third. The term for this is "Housing Cost Burdened."**
3. Of 430 housing vouchers issued in Arlington for extremely low income households, what percentage are being used in Arlington? (pg. 7)
ANSWER: 39%
4. There is a statewide goal that every community have 10% of its housing affordable. What percentage has Arlington achieved? (pg. 10)
ANSWER: 6.54%
5. What strategy for creating more affordable housing was most popular with survey respondents? (Pg. 13) **ANSWER: Policy change to incentivize the development of affordable or multifamily housing.**
6. Does the Trust plan to work on creating more affordable housing or preserving the affordable housing we have? (Pg. 17). **ANSWER: Both!**
7. What three entities own most of Arlington's current affordable housing? (pg. 22)
ANSWER: AHA (711 units), HCA (150 units), and the private entity that owns Millbrook Square (136 units).

Arlington Town Meeting established the Affordable Housing Trust Fund to **create** and **preserve** affordable housing. The Trust is creating an Action Plan to guide how it invests in and creates affordable housing over the next five years.
